Thank-you: Your long-term pledge enables the committee to more accurately and confidently plan the sponsorship of Refugees, especially because while some applications can be received within a few months of the application, others can be expected to arrive between 2 and 4 years of the application, if the application is approved.

Please submit your pledge to Joseph Grootenboer (President/Treasurer of the Refugee Committee). Your pledge will remain confidential and only the amount pledged will be used by the committee, apart from your identity, to forecast cash flow. A reminder of your pledge will be provided to you if the time of your commitment has passed and the amount is yet to remit.
